

Facilities Operations and Management

Announcement:

The Office of Capital Project Management is pleased to announce that the Titan Student Union (TSU) Expansion Project will commence on Monday, June 22, 2015. PCL Construction Services has been engaged by the University to be the design-build contractor responsible for the overall project. The project will be completed by December 31, 2016. If you would like to know more about the project, please click on the following link: <http://cpm.fullerton.edu/capitalprojects/UnderConstruction.asp>.

When:

Starting Monday, June 22, 2015 thru December 31, 2016.

What's Required for Me?

Please be aware of construction activities around the Titan Student Union and watch for construction traffic along Student Union Drive and Gymnasium Campus Drive. The 15 minute Loading Zone on the south side of the TSU will be limited to five (5) parking spaces. The TSU building including the food court will remain open during construction. Pedestrian access around the site and building will remain open and available during construction with minor exceptions.

Questions?

If you have any questions or concerns regarding this project, please contact Stephen Chamberlain, Senior Project Manager at Ext. 5997 or email him at schamberlain@fullerton.edu

Thank you for your patience and cooperation during the construction of this major project designed to advance the mission of California State University, Fullerton.

Willem van der Pol
Interim Assistant Vice President
Facilities Operations and Management
